About

The Ohio Area IV Envirothon is a competitive, academic, outdoor team event for high school students which tests their knowledge in five areas: Aquatic Ecology, Current Environmental Issues (CEI), Forestry, Soils and Wildlife. The event is designed to stimulate and reinforce the students interest in our environment and our natural resources while encouraging cooperative decision making, team building, and problem solving.

Chenoweth Trails

About Chenoweth Trails

The Light Foundation began developing the Chenoweth Trails facility in 2009, adding infrastructure to what was once a rural 500-acre plot of land located in Darke County, near Greenville, Ohio. Within 10 years, the facility has grown exponentially, showcasing its beauty to over 7,000 visitors each year.

Behind six miles of wooded trails lies a stunning property equipped with two environmentally friendly yurt structures for up to 24 overnight guests, a state-of-the-art outdoor kitchen, an indoor bathroom, kitchen facility, and a timber frame pavilion with a large banquet area for events, retreats, camps, and countless other functions. Nature's Beauty is certainly not lost among the infrastructure as a unique outdoor stone amphitheater overlooking a beautiful brook invites up to 100 visitors to gather.

With miles of wooded trails winding all throughout the property, Chenoweth Trails is an ideal spot for hikes. We also added a turf field, gaga ball pit, and a rock balancing area. The pond is great for swimming and fishing or just sitting beside to enjoy a peaceful moment out in nature. There truly is something for everyone here!

About the Light Foundation

In 2001, Matt Light, retired Offensive Lineman for the New England Patriots, and his wife, Susie, established The Light Foundation. The Light Foundation is a non-profit organization that exists to give kids a better chance at leading healthy lives by using the great outdoors to learn and grow. In 2009, The Light's purchased 400+ wooded acres in Ohio and began developing Chenoweth Trails Facility. Today this is where The Light Foundation hosts many of their youth-focused programs and events such as The Youth Wild Turkey Hunt, The Youth Football Camp, The Light Project, Camp Vohokase, STEM Timber Frame Leadership Camp and the Gauntlet. **In addition, we also partner with schools and other non-profit organizations, giving them the ability to utilize Chenoweth Trails at NO COST, for their youth programming year after year.** In 2018, there were over 7,000 youth who were able to enjoy Chenoweth Trails organizations such as Mississinawa Valley Band, Coldwater Cheer, Franklin Monroe Boys Basketball, Area 4-H Clubs, Church Youth Groups, Boy Scouts, and many more.

"Our goal is to be a beacon for charitable organizations, athletes and young people, inspiring kids to work hard, put their best foot forward, and strive to become champions in the game of life."

– Matt Light
